Early Learning Hub
of Linn, Benton & Lincoln Counties

Shared Bilingual/Bicultural Parent Engagement Coordinator

RFA Q&A

1. Will the employee be an employee of Linn Benton Community College or the Partner agency?
    a. The shared Parent Engagement Coordinator will be an employee of the Partner Agency.

2. The RFA assumes that candidates will be available for interview a week after the RFA responses are submitted and before the grant is announced. Does this mean that LBL Hub is advertising for the position already? We would normally not advertise a role until we have funding secured and a complete position description is available.
    a. The intent is to interview both the Supervisor and the proposed PEC if the Partner agency already has a person working in this role who's FTE would be increased. For Partners that are proposing to hire a new staff person, Hub staff would only interview the Supervisor and will have additional questions during that interview regarding recruitment for the position.
