- Lunch (15 minutes)
- Table Activities - Analyze Focus Group Transcripts
 - 5 tables (20 minutes each)
- Break (10 minutes)
- Group Summary (45 minutes)

Table Activity Instructions

- For each county, develop a summary statement which is true of each extract or piece of text. Write a summary statement for the cities within the county, if available and applicable.
- Find big ideas. The statements are key themes that you identify. Take a few steps back and allow the big ideas to percolate.
- Summary statements should be about 8 to 10 sentences.
- Write these statements on the colored cards on each table. There are specific colored cards for each table.
- When completed, give your cards to LeAnne; she will type them up for the group summary work.
