 Healthy Communities RFP

Who is doing ASQ's

Map/inventory medical providers from the CCO

Map/inventory social service providers

Do our numbers match with the CCO stats?

Which ASQ's are submitted to health care providers? Can we track them by volume and initiator?

Map family contacts with health care

Pregnancy to age 6

By county

What are the missed opportunities?

Who and what programs support families to connect?

What initiatives are underway to improve connections (i.e. navigator and peer projects supported by the CCO)

Parent Input

Decide what questions to include on the HB + HC assessment

Draft sample questions to submit to the Data & Evaluation Work Group

Planning Opportunities

What is currently happening or in the works?

Connect with the ECCC Work Group

Connect with traditional health workers

Task from One Year Work Plan – Health

1. Include PCPCH referral information in strengthen referral pathway, and family resource navigator model and trainings. – Jointly with ECCC
2. Develop and strengthen pathways that assure ASQs not provided in the medical setting are forwarded to primary care providers. – Jointly with ECCC

Timeline from One Year Work Plan – Health

Task Year 1	Timeline			Completion Date
1. Include PCPCH referral information in strengthen referral pathway, and family resource navigator model and trainings. – Jointly with ECCC.	9 months			June 30, 2015
2. Develop and strengthen pathways that assure ASQs not provided in the medical setting are forwarded to primary care providers. – Jointly with ECCC.	6 months			6/30/2015
