

Prepared parents. Healthy families.

Committee Description

The Evaluation Team serves an advisory role to guide Pollywog via continuous quality assessments

The ET will:

- Advise on evaluation process, tools and methodologies to assess the progress towards project goals/principles.
- Provide expertise on a variety of core services utilized and/or served by Pollywog.
- Communicate goals, outcomes, progress of Pollywog to affiliated organizations and other stakeholders.

Project principles / goals

Through cooperative relationships; collaborative work; aligned metrics; integrated services; shared data and streamlined processes; early learning, early intervention and health care services of Linn Benton and Lincoln Counties will improve health, intervention and early learning services for families expecting/with children < 6.
