

# Monthly Director's Report

## May 2017

Early Learning Hub

of Linn, Benton & Lincoln Counties

During this Legislative session, many agencies have expressed their concern to us about continued funding and funding levels. We understand the difficult situation the legislators find themselves in and were heartened when we received an email from our friends at The Children's Institute with an important suggestion: call your legislators.

To find information about your legislators, please [click here](#). These men and women represent you, and they need to know how you feel and what programs you support!

We also wanted to be sure and welcome the three new parents joining the Governing Board in May: Laura Farmer (Benton County Representative), Jennifer Gere (Linn County Representative), and Christina Hannahs (Lincoln County Representative). We appreciate your willingness to serve and to represent parents across our region. It's going to be a learning experience for all of us!

**Thank you for your support,  
Kristi May, EL Hub Director**

The event will be held at Linn-Benton Community College, in the Forum Auditorium. This will be a free event, and the LBCC Cafeteria will be available right across the hall for lunch and snacks. Local partners will have priority registration.
