DISCUSSION ITEM	Update: Request for 2013-2014 KA scores matched with 2016-2017 3 rd Grade Reading Scores
	The data request has been approved and the contract is signed. Now we are waiting for the data to be released.
	Add this topic to next meeting agenda.
	Lucy is currently working with Peter to analyze and determine methodology.

DISCUSSION ITEM	Data Book Outline
	The most current outline was presented to the Governing Board at the March retreat and meeting.
	Rich reviews the Board recommendations and revisions.
	Rich is awaiting information on two-generational poverty data.
	The group agrees to redefine "hidden children" when referring to homelessness.
	Kristi recommends listening to the recording from the Board retreat to better understand Paul Smith's input on this topic.
	<u>Next Steps:</u>
	<ul style="list-style-type: none"> Lynn and Lucy will pull data for each category that the work group can review. Lynn agrees to determine Lucy's spring schedule in order to schedule future meeting dates and times. She will email a doodle poll thereafter. Lynn agrees to take responsibility for sections 0-6 Population Demographic and Kindergarten Readiness. Jerri agrees to present the data report on childcare at a future meeting. Jennie agrees to research community-level data books to reference for potential looks. Rich will forward websites with similar looks. Lynn asked Kim Whitley with IHN-CCO if she could send a representative to the Health Care Integration Work Group meeting. The work group is looking at ways to improve 2-year immunization rates. Lynn agrees to forward her immunization questions to Kristi who will forward them to Liz Stuart.
