Please note this is a very narrow range of classes and doesn't represent all of the Live and Learn classes in Albany. For example it doesn't represent the Live and Learn classes talk in Spanish. It also doesn't include the preschool Co-op and the Discovery Lab - classes that target 2.5 - 5 yera olds and their parents.

New Layout: Record Lists

Old Layout: Record Lists

A **Record List** is the list view of a group of records of a certain type, i.e. Clients, Applications, etc.

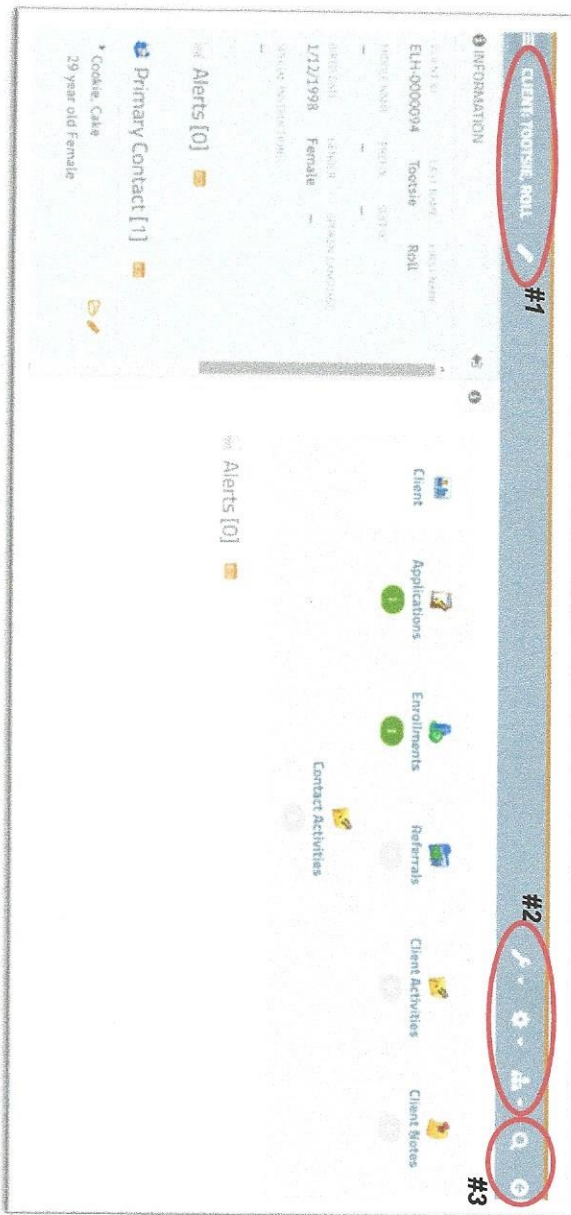

List views are often accessed by clicking the corresponding item from the index menu on the home page.

Interface Enhancements

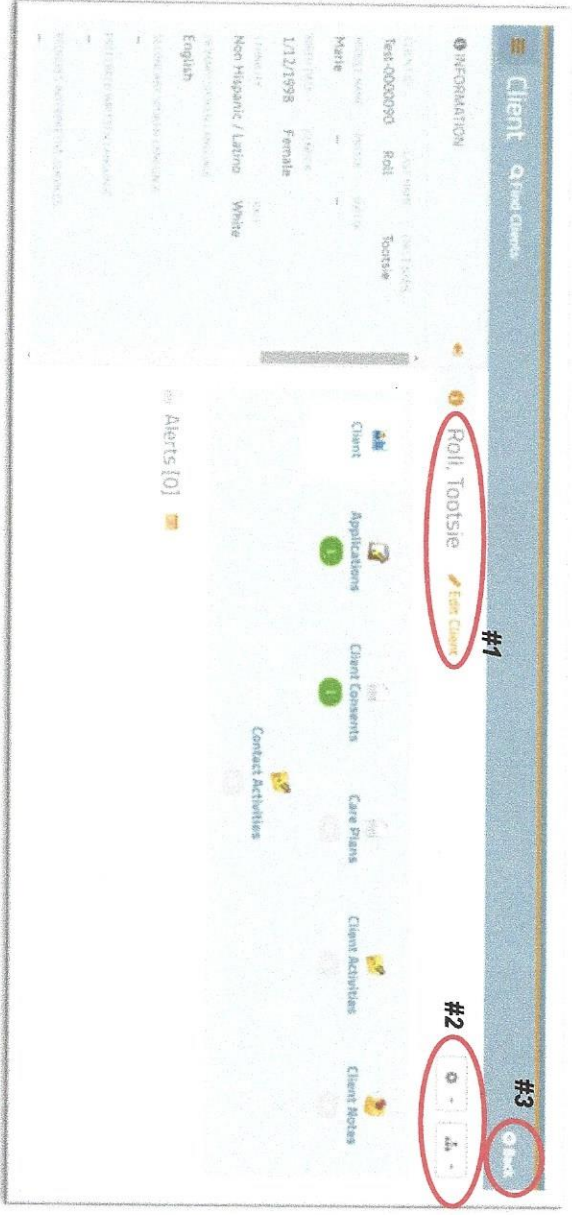

1. **Command Buttons**
 - o Setup records and Action items (such as Download and Import if the permission is available to you) have been moved to the top blue bar
 - o The "Back" button has been replaced with the icon "←"
2. **Add New record**
 - o The "+ New (record)" button has been replaced with the icon "+"
3. **Record Count and Pages**
 - o Record counts and page controls have been moved to the bottom of the page

New Layout: Record Pages

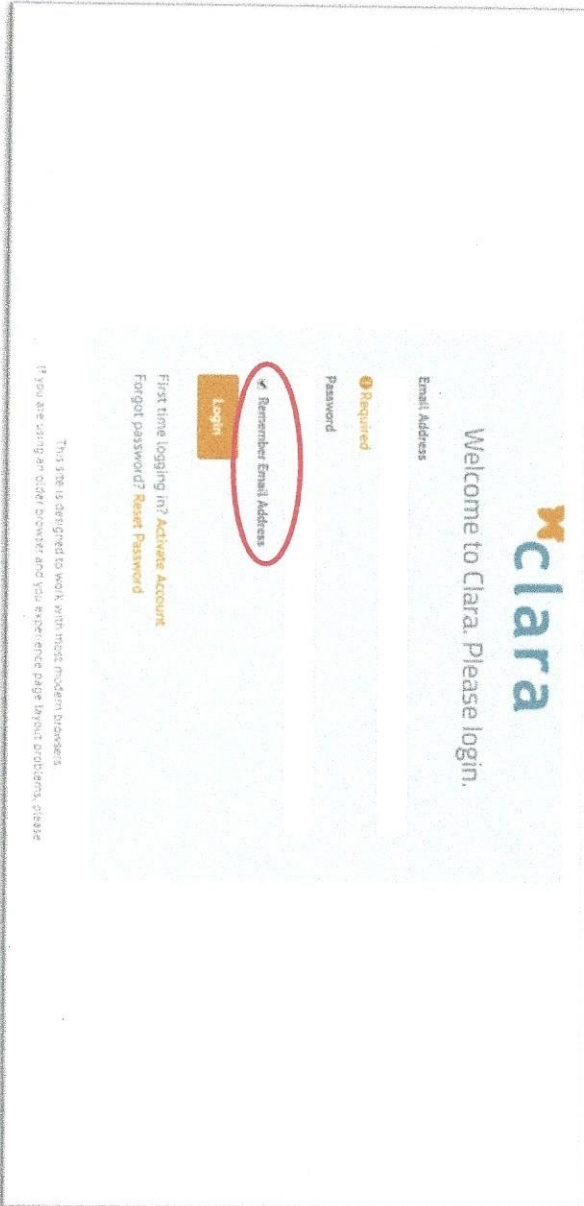

Old Layout: Record Pages

A Record Page is the context view of a single record, such as a Client in this example. From the record page, you can see the record's information panel and the console with tabs to associated records.

1. Record Name and Edit
 - The record name has been moved to the upper left corner in the blue panel
 - The "Edit (record)" button has been replaced with the icon "✎"
2. Actions and Attached Records
 - Setup records, Action items (such as Download and Print if the permission is available to you) and Attached records have been moved to the top blue bar
3. Back Button
 - The "Back" button has been replaced with the icon "←"
 - A record search option with the icon "🔍" has been added to the top blue bar

Remember Email Address

VISTALOGIC
Information in Perspective

Vistalogic added the "Remember Email Address" checkbox to the Clara™ login page.

If user clicks "Remember Email Address" and the login is successful, the "Email Address" will be preserved for future logins.

Unchecking the "Remember Email Address" box will clear and forget the saved email address.
