MEETING CALLED BY	LeAnne Trask
WORK GROUP MEMBERS PRESENT	Cindy Cole, Madeline Sprague
STAFF MEMBERS PRESENT	Shirley Blake, Jennifer Hartssock, Lynn Hall
VERSION	Final
RECORDED	Yes

Agenda topics

DISCUSSION ITEM	Review of conversations from last meeting
	Shirley plans to attend a community workshop with Boost. She called Nadine, who said their community workshops are not being advertised at this time. The next two workshops are on April 17 in Happy Valley and on May 17 in Portland. She will most likely attend the April 17 meeting.
	LeAnne is working with Kidco to get their ASQs done online. Due to a family emergency, we are behind schedule.
	LeAnne has spoken with Autumn Belloni about representing Lincoln County at the Health Care Integration work group. She is unavailable, but has a few alternative recommendations for LeAnne.
	Unite Us invited agencies to sign up for a license.
	Next Steps:
	<ul style="list-style-type: none"> LeAnne will reach out to Bettina regarding Old Mill Center, Healthy Families, and the Relief Nursery MOU. Cindy will follow up on registering with Unite Us for a login/license. The next Universal Care Coordination meeting is on Friday, April 19, 2019 from 10-11:30am.

DISCUSSION ITEM	Raise Up Oregon
	LeAnne explains the system goals, objectives, and strategies for the HCI work group.

DISCUSSION ITEM	Presentation of Ages and Stages Questionnaire (ASQ) Online Software
	ASQs guide the provider in addressing potential issues with the parent, referrals to other resources, as well as individualized curriculum. For some agencies, the ASQ goes straight into the file and is unused. The ASQ Online system reduces mistakes or miss-scoring.
	LeAnne presents the ASQ Online software to the group.
	ASQ Online allows an agency to customize a consent form. It's available in English and Spanish.
	It's important to consider Samaritan's incentive metric when approaching them about ASQs.

Next Steps:

- Can the RHIC and Unite Us communicate?
- Leanne will ask Ronda Lindley-Bennett and Mike Blythe to present to our Committee next month, and give us a demonstration of the RHIC software.

NEXT MEETING	9:30am, Tuesday, May 14, 2019
Tentative Samaritan Pediatrics Conference Room, Corvallis	
MEETING ADJOURNED	11:00am
