Agenda Topics

Discussion Item	Welcome and Introductions
	Workgroup members introduced themselves.

Discussion Item	Draft EL Hub Strategic Plan Review
	Kristi presented the draft strategies for each regional goal and asked the workgroup for feedback.
	Regional Goal 1: No Feedback
	Regional Goal 2: Is staff just defined as LBCC staff? How are CHW and THW being integrated across the region?
	Regional Goal 3: The LBL Early Childhood Collaboration meetings may meet this need.
	Regional Goal 4: No Feedback
	Regional Goal 5: Does this apply only to Benton County? Benton County is the pilot because the groundwork is already laid. After that, the Hub will assess the pilot for potential replication while sharing its successes and challenges with all school districts in our region.
	Regional Goal 6: Strategy 6.2 Will the professional development needs of the home-visiting workforce be surveyed? Yes, we want to leverage our partnerships to create more professional development opportunities that address the unique challenges of home visiting.
	The workgroup shared that OHA has a plethora of resources that target home visitors (not nurse specific) in addition to resources broken down by core competencies (e.g. cultural and linguistic responsiveness, home visiting safety

guides, etc.)

Kristi reviewed the Strategic Plan timeline. She thanked the workgroup for their efforts to create this plan.
