with  
SPECIAL GUEST

Join us for this **FREE Virtual Event!**

Oregon Family Support Network is excited to partner with the **Be SMART** Campaign!

Oregon Family Support Network will begin by exploring the topic of increasing youth suicide awareness for LGBTQ+ youth, from the family perspective. We will navigate where families can find expert information, be aware of risk factors and increase communication around suicide.

Up next is our special guest from **Be SMART**. **Be SMART** is the program developed by Everytown for Gun Safety Support Fund to bring together parents and all adults concerned about kids, guns and safety. This educational campaign was developed to teach community members research-based information about how to keep children safe, responsible gun ownership and youth suicide prevention.
