Health, Safety and Nutrition (HSN) Class Options

Certified family and certified center staff are required to complete at least one hour of HSN training before the facility's license renewal.

- Registered family and substitutes are required to complete at least one hour of HSN in the first year of their license and at least one hour in the second year of their license.
- License-exempt DHS providers are required to complete at least one hour of HSN in the first year of their DHS listing and at least one hour in the second year of their listing.

Here are a couple of options for online health, safety and nutrition (HSN) trainings that you can complete at your convenience:

Texas A&M:

<https://agrilifelearn.tamu.edu/s/category/browse-by-category/child-care/OZG4x00000095IO>

Choose the subcategory of "Child Health and Safety." These courses are Free - \$14

ProSolutions Training

https://www.prosolutionstraining.com/menu/index.cfm?HomeState_id=38

Scroll down to Health, Safety and Nutrition category. \$10 - \$18 for 1-2 hour trainings

Class registration policy update:

Please plan for your professional development/training requirements. You may register for a class up until 24 hours before the start time. If you are unable to attend a training, please let us know by 4:00 PM the day of the training. We cannot guarantee a refund for no-shows or cancellations made after 4:00 PM. We record training hours in your ORO training log and send certificates when the class fee is paid.

Thank you. We appreciate your understanding!
