Prepared parents. Healthy families.

Padres preparados. Familias saludables.

Community Asset Mapping in Linn, Benton & Lincoln Counties

Community asset mapping is a community-driven process that lifts up local strengths while identifying gaps that affect children and families. By listening directly to parents and community members, these reports highlight what's working, what's missing, and where investments can make the greatest impact. Scan the QR code to explore the reports and learn how community voices are shaping solutions across our region.
